Promotor Finesse

The Finesse promotional display is our exciting new development direct from us the manufacturers, with many interesting features to make it one of a kind and living up to its name.

- Available with three choices of top; special Black Leatherette top, Wood Effect or White

- Lightweight product for ease of transportation from one venue to another, weighing only 13.2 kgs including all components and graphic with graphic tube
- Single piece graphic wrap, very durable and easy to produce, no complicated graphic fixing system to position and attach, saving time on graphic application and production

- Product comes with hook Velcro attached, and loop pieces for graphic when client is handling graphic production
- Quick and easy to assemble, in less than 1.45 minutes
- Carry bag made from durable high quality 600D polyester, with printed assembly instructions, allowing product to pack away neatly
- Outer piece, flat top with reinforcing panel for added strength and graphic protection

- Rear opening of product 700mm(w) x 810mm(h) for generous storage areas in base and on flat surfaced strengthened shelf
- Removable shelf allowing additional space, when required
- Pole and header set available for when required, giving a great added feature
- Very competitively priced product

Overall graphic size: 2240(w) x 900mm(h)

We believe the best graphic to be used for this product is a Pop Up Display Media paper, thickness 450 Microns, Lamination 80 Microns total graphic thickness 530 Microns
