PACKING

Individual reusable carton.....**1.88**
 External measurements
925mm x 845mm x 82mm

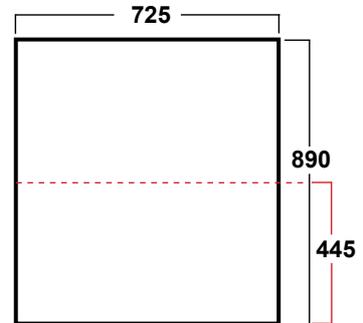

Bulk packing dimensions and weight dependent on number of units required.

Weights and measurements quoted are approximate.

GRAPHIC INFORMATION

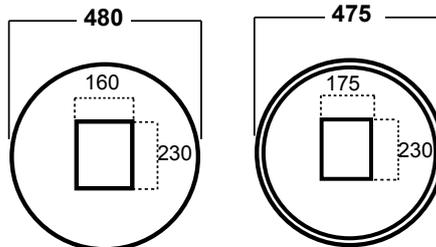

Recommended graphic, print on 150 mic photo-satin paper, encapsulate in 125 mic scuff resistant mattt film, to face, and 125 mic gloss film to back.

Alternative Graphic Recommendation
 As an alternative to printing on Photo Satin paper we also recommend printing onto full colour digital print to flexible 305 micron PVC material this also gives a high quality finish and is a cost effective solution.
